

What is **TSCEP**?

A sub-group of ORET that

- Takes innovative approaches to exercise **employee engagement** to advance Organizational Review mandates;
- Builds **partnership** with other City of Toronto Divisions and external registered charitable, and not-for-profit agencies to support the community;
- Represents Transportation Services as the leader within the organization through collaborative approaches for employee engagement and **community support**.

How does **TSCEP** function?

TSCEP Task Force collaborate in monthly meetings to plan, design, develop, and deliver yearly projects with the motto to make positive impacts within the division and the community we work and live. **TSCEP** provides **equal opportunities** to its members.

Membership:

A 2-year commitment is required. During the 1st year, Task Force directly get involved into deliverable projects while on the 2nd they get a new role and/or act as mentors providing opportunities, and support to new members.

Who can apply?

Anyone working in the Transportation Services Division, City of Toronto.

How much time does **TSCEP** requires from each member?

There are 12 meetings in a year, each usually lasts for 30-60 minutes. Additional hours will be required during individual project deliveries.

Is there any remuneration being paid?

Participations are entirely voluntary. **TSCEP** does not have any capacity to offer remunerations of any sort.

What qualifications are we looking for?

We are looking for individuals who are willing to **Engage** with divisional and inter-divisional colleagues, **Support** each other while working in a **Team** environment, **Participate**, Willing to **Learn** from mistakes, **Walk** extra miles to make the projects **Successful**, and more importantly want to have **Fun**!

How to apply?

Complete the [application](#) by 28th Feb 2022. Successful candidates will be notified during the week of Mar 21st via e-mail.
